Dear Patent Examiner:

I was sent a Notice of Incomplete Nonprovisional Application dating back to 8/7/01.

I immediately called a customer service person at your office by the name of Deshawn Durham.

She told me to fax the items to her attention so I did just that. Many months went by and I heard nothing from your office so I decided to give Mrs. Durham a call.

She told me she never received the info and to write a letter and mail it. This is what I am doing now.

I was rejected because there were no Claims and no Drawings. That was not the case and I possess the index card copy with your office acceptance stamp as proof.

I am resubmitting and I respectfully request if my patent app. is approved to be given the date of my original application. All correspondence can be mailed to the above new address.

Thank you,

Vincent Fedele
